

EURid is the Belgian-based not-for-profit organisation selected by the European Commission to operate the .eu TLD (Top Level Domain). Since its public launch in December 2005, .eu has rapidly assumed its place as Europe's third largest domain and has about 3 million registered domain names.

EURid is headquartered in Diegem, and has satellite offices in Sweden, the Czech Republic and Italy. Our young organization employs people from all over the European Union and is the perfect arena for self-motivated professionals looking to be challenged and stimulated in their working environment. For our office in Diegem we are currently looking for:

Senior System Administrators (m/f)

Description:

As a Senior System Administrator, you will be responsible for design, implementation, monitoring and maintenance of the computer systems and networks of EURid.

Your main tasks and responsibilities will include:

- Maintain and further develop the procedures and systems for release management of the in-house developed systems based on Linux, Java, Oracle, Perl, PHP
- Provide technical advice and guidance to project team members and internal and external customers
- Maintain the network, web infrastructure and production environment
- Install and manage the nameservers for performance and availability
- Implement purchased software
- Provide in-house support for the IT-infrastructure
- Implement security plans and improve robustness of the systems.

Profile:

- You have a university degree in computer science or equivalent by experience
- You have a relevant work experience of more than 10 years as a network or system administrator
- You have an in-depth knowledge and experience of Unix/Linux (CentOS)
- You are experienced with SUN Solaris
- You have knowledge of storage systems (Hitachi, Sun Storage Tek, EMC²) and network devices (Juniper and Cisco)
- You have knowledge of one or more scripting languages like Perl, PHP
- You are customer and service-minded
- You are a team-worker, but able to work independently
- You are fluent in English and either Dutch or French.

What we offer:

EURid offers you a challenging job in a in a highly technical environment. You will be part of a young and dynamic team.

Please send your details to jobs@eurid.eu or contact Els Verstappen at +32 (0)2/401.27.50 for more info.
